Pairings Revealed for Girls Basketball State Tournament

The opening week's pairings were announced this evening for the 46th Annual IHSAA Girls Basketball State Tournament *presented by the Indiana Fever and Indiana Pacers*.

Sectional games are scheduled to begin Tuesday, Feb. 2, and run through Saturday, Feb. 6, with the regional round slated for Feb. 13 and semi-states on Feb. 20. The four state championship games that make up the state finals will be played at Bankers Life Fieldhouse on Saturday, Feb. 27.

Top-ranked North Central of Indianapolis will host Indianapolis Crispus Attucks in the opening game of Sectional 10. The Panthers are the top-ranked team in both the 4A poll of the Indiana Coaches of Girls Sports Association (ICGSA) and the single class poll from the Indiana Basketball Coaches Association (IBCA).

In Class 3A, the No. 1-ranked Silver Creek Dragons drew Charlestown for its first-round game in Sectional 30 played at Madison.

The Class 2A poll shows the defending state champion Linton-Stockton Miners leading the field and scheduled to face Mitchell in the opener of the seven-team Sectional 47 at North Knox.

And in Class A, the Trinity Lutheran Cougars top the latest poll and are scheduled to meet Shawe Memorial in a Sectional 62 opening round game at Edinburgh.

The Lawrence North Wildcats, the defending state champions in Class 4A and ranked No. 10 in this week's ICGSA poll, drew a bye and will face the Indianapolis Cathedral-Warren Central winner in the Sectional 10 semifinals.

Last year's Class 3A state champion, the NorthWood Panthers will face home-standing-Wawasee in Sectional 20.

Last year's Class A state champion, the Loogootee Lions, ranked No. 5 this week, will host Shoals in a Sectional 63 first round game.

About the Draw

To conduct the random drawing for the girls basketball state tournament, the IHSAA places ping-pong balls representing each school in a given sectional into a lottery-style air mix machine. A motorized fan in the bottom of the machine blows the balls around the inside of the transparent container and air then forces each ball up through a tube in random order. For example, the first ball retrieved from the machine will be the visiting team in game one with the second ball representing the home team in game one. The third ball to come out is the visitor in game two and the fourth ball the home team in game two. That same method is followed through all 64 sectionals and 16 regionals.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its 410 member high schools - public, institutional, parochial and private - pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 22 sports, 10 for girls, 10 for boys and two co-ed (unified flag football and unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
